Reasons For Allowance

1. The following is a statement of reasons for the indication of allowable subject matter:

The claims in the instant application have not been rejected using prior art because no references, or reasonable combination thereof, could be found which disclose or suggest a radially expandable stent positioned **coaxially on and in direct contact with the reduced diameter portion of a guidewire** towards the distal end such that the stent can be placed by and moved by the guidewire, where a sheath has a diameter greater than a diameter of the guidewire to receive the guidewire therein during movement, and where the stent positioned on the reduced diameter portion of the guidewire to accommodate the tubular sheath as it passes thereover.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The application having been allowed, formal drawings are required in response to this Office Action.
